Re: Water Right No. S2-30394

Dear Mr. & Mrs. Sharp:

Enclosed is your Permit to be retained for your records. Please read the enclosed information sheet, as well as your entire Permit.

You must meet the provisions on your Permit before we will issue a final Certificate of *Water Right*.

Our information indicates that you are scheduled to put the water to full beneficial use by October 1, 2010. We are enclosing a *Proof of Appropriation of Water form* which is to be filed when the water has actually been put to full beneficial use. This form will need to include your County Assessor's Parcel Number and must be notarized. **If you cannot put the water to full beneficial use by October 1, 2010, you must contact this office.**

If you have any questions, please contact us at 360-407-6300.

Sincerely,

Thomas Loranger
Water Resources Section Manager
